Who we are:

Alliant Metals Inc. is a stainless steel distributor located in Southern, NH. We are a one-stop steel shop available for all your steel requirements. In addition to our extensive stainless inventory listed in this catalog we will quote various other alloys upon request to ensure your one-stop shopping experience.

Our Objective

Alliant Metals Inc's objective is to provide quality products and exceptional service to every customer. In addition to the material we quote we are constantly looking for ways to develop a "prefinished" raw product. This means that not only do you get exceptional quality stainless but that we strive to make our product the most cost effective purchase for you. You will notice that when purchasing from our sales team that we are constantly providing educational support and knowledge of each of our customer's requirements. With this in mind, Alliant has developed production cutting and polishing services second to none. In our facility we have the ability to plasma, waterjet and saw cut your steel and deburr all cut pieces.

In addition, we deliver to all the New England states via our fleet of trucks or we can provide common carrier services to do the same. We take pride in the fact that we are noted for exceptional delivery performance above our competitors. Our drivers are courteous, professional and adept at getting the product to your door and will personally unload the material on your docks!

We hope that you find the enclosed information helpful and if we can be of further assistance to you we would greatly appreciate the opportunity to demonstrate our services. Let us prove to you that we will perform as our motto states....."What others promise, We deliver!"

Chris Buchanan, President

CUTTING Services

PRODUCTION Cutting Capabilities include:

- **AMADA and HEM Saws up to 20" Diameter**
- **SHEAR sheet up to 7 GA, 10 FT square**
- **WATERJET Cut up to 6 foot x 12 foot table**
- **PLASMA CUT up to 6" THK Plate**

POLISHING Services

**We can polish plate and bar to a #4 (180 grit)
96 x 240" max size plate. Please note picture of
quality polish below.**

(note to self.....put picture here)

OUTSIDE Services

**In addition to the inhouse production we provide
we also can send your material for Heat Treating,
Grinding and Laser Cutting. We will be develop-
ing these services in the future to include them as
Inhouse services.**
